

Biofeedback Certification International Alliance

Milos Slepceky, PhD, BCN

Board Certified in Neurofeedback, Associate Fellow

has attained recertification by demonstrating an advanced competency to use neurofeedback instrumentation for the purposes of monitoring and assisting in physiological self-regulation according to the Professional Standards and Ethical Principles of BCIA. By virtue of having completed the requirements for original Board Certification, additional continuing education, and years of experience, the above title is hereby granted.

This certificate is not a license to practice.

Fredric Shaffer
